### Brushes

This set from Amazon, or similar. Click → 20 Pcs Oil Watercolor Acrylic Paint Brush, Artist Paintbrushes

### Paints

AVOID 'Acrylic Gouache'! Check to be sure the paints are water soluble. I recommend either gouache or poster paints. Brands of gouache are Utrecht, Maimeri, Winsor & Newton, Daler Rowney, M. Graham, etc. Buy gouache tubes in 10 or 15 ml.

Consider buying extra white, since it's used more than other colors
